

# CE Bases

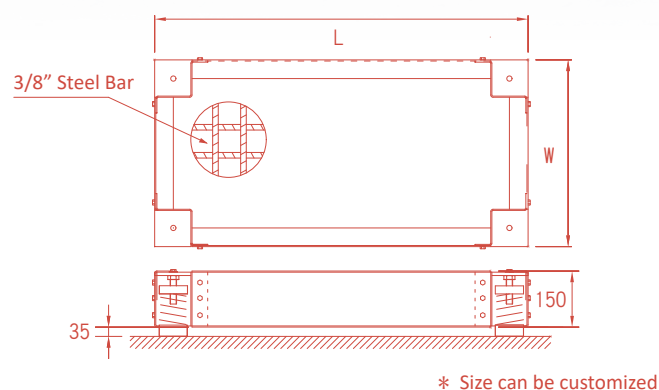

## Specification

◎CE Type

| Type      | Dimensions(mm) |      |
|-----------|----------------|------|
|           | L              | W    |
| CE-100    | 600            | 450  |
| CE-160    | 900            | 500  |
| CE-180    | 1000           | 600  |
| CE-300    | 1200           | 600  |
| CE-350    | 1200           | 700  |
| CE-400    | 1350           | 750  |
| CE-450    | 1500           | 600  |
| CE-470    | 1600           | 700  |
| CE-500    | 1500           | 900  |
| CE-530    | 1600           | 1000 |
| CE-550    | 1700           | 600  |
| CE-600    | 1800           | 750  |
| CE-650    | 1800           | 900  |
| CE-800    | 1800           | 1200 |
| CE-820    | 2000           | 750  |
| CE-850    | 2000           | 900  |
| ◎ CE-950  | 2200           | 1000 |
| ◎ CE-1160 | 2500           | 1000 |

◎ Isolator Quantity = 6 ◎

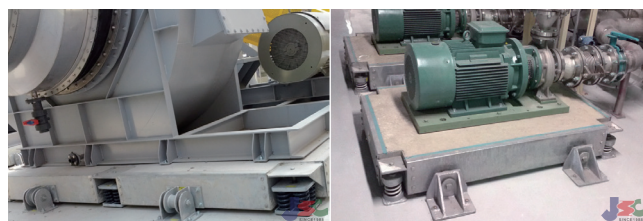

## Dimensions(mm)

## Features

1. Concrete Base frame with hot dip galvanizing
2. With a spring deflection 25, 40, 50, 75(mm)

## Applications

本公司保有依實際需要，變更本目錄內容之權利。
